Inspiring Student Achievement

Through Academic Competition

Workshops for Academic Coaches, Teachers, Coordinators, Administrators & Parents

Find new excitement in teaching and the information resources you need to direct a successful PSIA academic program for 2007-08. Workshops offer explanations of rule changes in contest content and administration. Learn from experienced coaches and directors how to prepare students for contests, gain public support, and coordinate a successful academic program. • Half-day workshops **include a light lunch**. All participants receive resource materials to assist in preparing schools to participate successfully in the upcoming spring meets. **Valuable door prizes will be awarded throughout the sessions.** Certified Inservice Credit will be documented.
