

Fall

2011

Inspiring Student Achievement

Through Academic Competition

Workshops for Academic Coaches, Teachers, Coordinators, Administrators & Parents

Need a little more one-on-one direction to prepare for a successful 2011-2012 PSIA academic program? This PSIA accredited workshop is for you. Workshops offer explanations of rule changes in contest content and administration. Learn from experienced coaches and directors how to prepare students for contests, gain public support, and coordinate a successful academic program. • Half-day workshops include a light breakfast and lunch. All participants receive resource materials to assist in preparing schools to participate successfully in the upcoming spring meets. Valuable door prizes will be awarded throughout the sessions. Inservice Credit (Certified Professional Education credit - CPE credit) will be documented.

- **PSIA Executive Director, Dr. Patricia Walters**, will discuss use of PSIA web resources and important changes in the conflict pattern, plus other rule changes that are effective in 2011-12. Presentations at some workshops by successful directors and contest writers will add to educators’ effective use of contest materials. A major focus will be in training prospective volunteers and contest administrators utilizing information from the *PSIA Academic Handbook*.
- **Experienced educators** who have guided students to success in academic competition will share strategies and ways to encourage students to reach for their highest academic and personal goals.
