HOW DO I ENTER?

Student entry names come directly from the District Meet to the State Meet through Academic Meet Companion as results are posted as final. Entry fees for the State Meet are \$18 per entry per event, payable to PSIA and sent to the state office (PO Box 1225, Lampasas, TX 76550). Entry fees **MUST** be paid prior to 7 days before the meet. Your school will notify you if these funds are required for your entries. **ONE CHECK FROM YOUR SCHOOL THAT INCLUDES ALL ENTRIES IS REQUIRED.** You may pay by credit card. A 2% convenience fee applies to credit card payments. The invoice for your state meet entry fees can be found on Members Plus. No certification by your school is required. Results from your District Meet serve as your entry certification. Entry fees should be collected by your campus PSIA Director. Schools and individuals with unpaid invoices will not be permitted to participate. All invoices must be paid no later than one week before your State Meet. Your school may use fundraisers or activity funds to provide the fees. Entry fees pay for you and your child's health and accident insurance while visiting the Texas State University campus, and they defray rental costs and other expenses of the tournament, including 1600+ awards and judges for several events.

WHAT IF I CANNOT COME TO STATE MEET?

Notify PSIA Campus Coordinator OR your principal immediately if you are unable to attend the State Meet. Your Campus Coordinator and principal are the only people authorized to submit a withdrawal from the State Meet. Please submit withdrawal information by email. The format for withdrawal is District Meet (Number and Classification), Contest Name and Grade Level, Student Name, School, and City.

An example withdraw email would state:

“From District 18A, in Dictionary Skills 4-5, Doug Ray from Ray Academy, Lampasas, has withdrawn from the State Meet.”

Remember that no substitutions may be made at State Meet. Rather, when a regular State Qualifier withdraws from the State Meet, the alternate from the District takes his or her place. This alternate may or may not be from the same school. Schools will be notified via email when an alternate has been seated up to the week before the State Meet. Schools are encouraged to send the alternate, if possible, in each contest. The alternate will participate in the contest only if the regular State Qualifier from the same district is absent. Contest Directors will have the list of alternates and who they may replace on their rosters.

WHAT IF I HAVE A CONFLICT WITH ANOTHER CONTEST?

CONFLICT WITH VERIFICATION: Please have one adult from your school attend the verification or evaluation return period if your student has a conflict. Speech evaluations are exempt from this rule.

CONFLICT WITH SPEECH (Dual Entry): Contestants may receive a dual entry if they are participating in a speech contest plus any other contest concurrently. Please notify the State Office of a dual entry no later than **March 28th** by sending an email to Doug with the State Meet (“A” or “AA”), name of school, name of contestant, and the contests that the Dual Entry is requested for. Failure to request the Dual Entry by the deadline will forfeit the right to Dual Entry. Be sure to include conflicts with Finals rounds of speech contests as well as Prelims. You may not request a Dual Entry on the day of the meet for either round.

WHAT SHOULD I WEAR?

Be comfortable but remember that appearance matters in speech contests. Pictures may be taken of individuals and groups, so please notify PSIA if you or your child does not wish to be included in a photograph that may be published on the PSIA website. In Speech events, regular nice clothing should be worn. Uniforms may be worn in all other events. The PSIA State Championship 2025 T-shirt will be available for advance purchase online, or on campus outside Evans at the meet. School uniforms may be worn by participants in all contests, except Speech contests. Anyone may wear a PSIA State Champion t-shirt at the State Meet.

SCHEDULES

Schedules for both contestants and personnel will be available for printing by your school's Campus Coordinator beginning early in the week of your meet.

DO THE STUDY MATERIALS CHANGES FROM DISTRICT TO STATE?

No. The State Meet Spelling lists are the same lists used for District. The same Vocabulary list is used in both District and State. The Art Memory art, Music Memory music, and Modern Oratory topics are all the same in both District and State.

PARKING

My contacts at Texas State are looking into whether UPD will be ticketing on campus on the Saturday of our events. Unfortunately, parking is something out of the control of PSIA. I will update you on the parking situation when a decision has been made.

The previous general rule was the following: Handicapped parking—must display your handicap tag or license plate. Red Permit (faculty) and Green Permit (students) areas are fine.

The closest parking to our buildings will be the Matthews Street Garage and the Pleasant Street Garage.

Please display one of our special parking permits in your windshield. This is not required by the university, but in case something happens, it will help UPD identify your car has belonging to our group.

There is also paid parking in the LBJ Student Center Garage.

TENTS?

Yes. You may pitch your tent in the area between Derrick Hall and Evans Liberal Arts Building, aka, the Quad. Just leave plenty of room for people to get by and please clean up after yourself.

ALTERNATES INFORMATION

Here are the Frequently Asked Questions alternates have about their role in the State Meet.

HOW SOON WILL I KNOW IF I CAN COMPETE? WHO WILL NOTIFY ME?

State Qualifiers should notify their campus coordinator or principal who is responsible for notifying the PSIA State Office. The State Office will send an email promoting the Alternate to State Qualifier. Your campus coordinator will notify you if you have been promoted. If you do not receive a notification from your campus coordinator, it means that you have not been promoted.

In most contests, the 3rd place contestant at District is the only alternate and can replace the 1st place or 2nd place contestant. If there is a tie at 3rd place, all contestants involved in the tie are promoted to State Qualifier. In Creative Writing, Math 2, Math 3, and Storytelling, only the 1st place winner is a State Qualifier. The 2nd place contestant is the 1st alternate and will take the place of the State Qualifier if they withdraw. If the 1st alternate is unable to attend, the 2nd alternate (3rd place contestant from district) will be promoted.

IF I HAVEN'T HEARD ABOUT BEING PROMOTED, SHOULD I CALL THE PSIA STATE OFFICE?

No. Please consult your campus coordinator to see if he or she was notified of your promotion. If the campus coordinator does not receive information about your promotion, it means that the regular State Qualifiers did not withdraw.

AM I ELIGIBLE TO FILL ANY VACANT POSITION IN THE CONTEST AT STATE?

No. As the alternate from a particular district, you are only eligible to fill the vacancies from your district in your contest for which you are the alternate.

SHOULD I ATTEND THE STATE MEET ANYWAY?

This is up to you, your parents, and your school to decide. It's not unheard of that a contestant had to drop out at the last minute; had the alternate been present, they would have been seated in the contest.

IF I SHOW UP TO STATE, CAN I TAKE THE TEST ANYWAY?

No. Only actual State Qualifiers may take the tests or participate in the State Meet.

Congratulations on doing so well at the District Meet. We hope that your experience was worthwhile and that you can reflect on your year with pride and pleasure.
