

Summer/Fall

2021

Inspiring Student Achievement

Through Academic Competition

Workshops for Academic Coaches, Teachers, Administrators & Parents

PSIA Summer/Fall Workshops offer an introduction to each of the 62 contests with explanations of rule changes and tournament administration. Learn from experienced coaches and directors how to prepare students for contests, gain public support, and coordinate a successful academic program. • Half-day workshops include a light breakfast and lunch. All participants receive resource materials to assist in preparing schools to participate successfully in the upcoming spring meets. • Door prizes will be awarded throughout the sessions. • Inservice Credit (Certified Continuing Professional Education - CPE credit) from Texas Education Agency will be documented for each attendee.

- PSIA CEO, Dr. Patricia Walters, along with Executive Director, Doug Ray, will discuss use of PSIA web resources and rule changes that are effective in 2021-2022. Presentations by successful directors, **state gold medal winners in Poetry or Prose**, and contest writers will add to educators' effective use of contest materials. Focus will be on training prospective volunteers and contest administrators to run a tournament, utilizing information from the *PSIA Academic Handbook* and web resources. *
- **Experienced educators** who have guided students to success in academic competition will share strategies and ways to encourage students to reach for their highest academic and personal goals.
